

FUSION

METERED AEROSOLS

Fits any existing dispenser: Newly designed actuators allow Fusion to fit any existing metered aerosol dispenser.

Eliminates odors: A patented odor neutralizer, Ordenone™ encapsulates malodor molecules and eliminates odors at the source.

Smells better: Natural oils ensure quality fragrances that are more appealing and lack the chemical smells.

Smells stronger/longer: Fusion's smaller particle size will float in the air longer so you smell it longer.

No messy build up on surfaces: Our drier formula results in more fragrance in the air, not on your floors and surrounding surfaces.

3,000 sprays: Lasts for 30 days and can deodorize a room up to 6,000 cubic feet.

VOC Compliant: Available in all 50 states with no ozone depleting ingredients.

Fragrances: Cinnamon Stick, Citrus Sorbet, Cotton Blossom, Cucumber Melon, Honeysuckle, Linen Fresh, Mango Breeze, Spiced Apple, Sweet Pea, Strawberry Pear, Vanilla Bean, and Wildberry

Packaging: 12 – 6.25 oz. cans per case

FUSION

with odor neutralizer & natural oils
