

# ULTRA BIG BLUE

Automatic Toilet Bowl Cleaner

- **Eco-Friendly:** Formulation is readily biodegradable and safer for the environment.
- **Saves Time & Money:** Concentrated formula has 6x's the surfactants for improved cleaning and 3x's the active bacteria for improved odor control versus the original Big Blue/Big Blue Plus.
- **Easy to Use:** Smaller size for a wider variety of toilet tanks. Simply place the container in the toilet tank and let it do the cleaning.
- **Eliminates Odors:** Contains billions of beneficial bacteria that release enzymes to break down organic materials. Helps control odors by eliminating them at their source
- **Long Lasting:** Lasts up to 900 flushes.

**Packaging:** 12 each per inner  
4 master

**Private Label Requirements:**  
5 master cases

**NEW**
