**BIO-SNAKE[®]
LIQUID**

**All Purpose Deodorizer
and Drain Treatment**

NET CONTENTS: 1 QUART (0.946L)

Bio-Snake[®] Liquid is an enzymatic liquid that attacks solids such as grease, fats, and carbohydrates destroying all malodors by eliminating the source. Bio-Snake[®] Liquid contains billions of anaerobic and aerobic enzymatic bacteria. The enzymatic bacteria actually digest the waste naturally into water and carbon dioxide. It is ideal for treating grease traps, sink drains, floor drains, wash basins, and refuse containers. Bio-Snake[®] Liquid is environmentally safe.

DIRECTIONS: Bio-Snake[®] Liquid is ready to use straight from the bottle!

- **GREASE TRAPS:** For initial treatment, start with a clean trap. Pour 16 oz. (500ml) into opening closest to trap. To maintain, use 4oz. (118ml) daily (larger traps may require additional amounts).
- **SINK DRAINS:** 4oz. (118ml) twice weekly. Vary amount and frequency according to size of drain and usage. **USE ONLY AS DIRECTED.**

DISPOSAL: Triple rinse, then recycle container. User assumes all risk and/or liability associated with disposal of this product (original concentration or dilution) which violates applicable federal, state, or local law.

DISCLAIMER OF WARRANTY: Fresh Products, Inc. makes no warranty of any kind, express or implied, except that this product shall be of our standard quality.
CAUTION: KEEP OUT OF REACH OF CHILDREN
